DISCRIMINATION PROHIBITED: As required by federal laws and regulations, the West Virginia Secondary School Activities Commission does not discriminate on the basis of sex, race, color, religion, handicapping condition, marital status, or national origin to employment or in its programs and activities. Inquiries may be referred to David Price, Executive Director, 2875 Staunton Turnpike, Parkersburg, WV 26104. NOTE: State and Federal laws include Title IX, Education Amendments of 1972; Title VI, Civil Rights Act of 1964; Title VII, Civil Rights Act of 1964; Rehabilitation Act of 1973, Section 504; and other State and Federal laws and regulations governing students and employees.

BELIEFS AND OBJECTIVES

The Commission believes that a controlled activities program is a strong factor in the development of courage, personality, cooperation, and leadership. The Commission believes that representatives of a school should be good citizens of that school, hence the need for requirements and regulations governing eligibility that have been standardized.

The Commission is designed to provide means for the unbiased and amicable settlement of disputes regarding activities.

The Commission seeks to present proper ideals of sportsmanship so that coaches, players, school authorities, game officials, and spectators may combine to make any activity enjoyable and productive of physical and social benefits to both sides involved in the contest, with partisanship and prejudice eliminated as far as possible.

To accomplish these objectives the Commission asks the cooperation of its members, all lovers of clean, wholesome activities, and all fans, young and old, who believe in our American system of interscholastics.

HISTORICAL SKETCH

The West Virginia High School Athletic Association was organized June 17, 1916, during a meeting of the West Virginia State Education Association. The original draft of the Constitution and Bylaws as formulated by Mr. R.J. Gorman, Charleston, West Virginia, was submitted to the principals of the high schools by Principal W.C. McKee of Charleston High School.

The charter members were Bluefield, Charleston, Clarksburg (Washington Irving), Elkins, Fairmont West, Grafton, Huntington, Parkersburg, St. Marys, Sistersville and Wheeling.

The first officers were: President, John G. Graham, Principal of Huntington High School; Vice President, Benjamin H. Williams, Principal of Beaver High School, Bluefield; and Secretary-Treasurer, H. P. Johns, Principal of Wheeling High School.

The officers of the association were to be three in number; namely, a president, a vice president, and a secretary-treasurer.

After a few minor changes of the original draft, the eleven charter member schools met and adopted the Constitution and Bylaws by an unanimous vote.

The Association grew very rapidly during the ensuing years, and the work on the part of the secretary-treasurer especially became very burdensome. During these years on three or four occasions, moves were made to employ a full time executive secretary, a step that had been taken in several other states. However, on each occasion, such proposal was defeated.

It was not until 1946 that the Board of Control of the Association realized that a principal of a member school could not serve his school in an acceptable manner and at the same time serve as secretary-treasurer of the High School Athletic Association.

As a result of a meeting of the Board of Control held in Bluefield, West Virginia, on April 6, 1946, "the report of the Committee on the Executive Secretary was distributed to the members in mimeographed form, and on motion of Principal W. C. Whaley, East Fairmont, and seconded by Principal Robert L. Bryan, South Charleston, the report was accepted by a majority vote."

The report accepted was as follows:

"The president, vice president and treasurer shall constitute a Board of Appeals, which board shall have authority to appoint an executive secretary to serve for a period of four years or during the will and pleasure of the Board of Appeals. The beginning salary of the executive secretary shall be three thousand four hundred dollars (\$3,400) to four thousand dollars (\$4,000)."

Shortly after the meeting in Bluefield, the Board of Appeals met and employed William R. Fugitt as the first Executive Secretary of the West Virginia School Athletic Association, and Mr. Fugitt immediately set up his office in Beckley, West Virginia.

Mr. Fugitt came into his new position well prepared for the work ahead. A graduate of Marshall College (AB) and the University of Cincinnati (MA), Mr. Fugitt began his career as an elementary principal. He then taught and coached at Proctorville, Ohio, and Dunbar, West Virginia, after which he served for four years as a high school principal in Beckley. From 1933 to 1937, Mr. Fugitt was Assistant County Superintendent of Raleigh County Schools.

During Mr. Fugitt's tenure as Executive Secretary of the Secondary School Activities Commission, he was elected President of the National Federation of State High School Associations, an organization in which some 20,000 senior and Middle School/9th Grade hold membership.

During Mr. Fugitt's tenure in office, the name of the Association was changed to that of the West Virginia Secondary School Activities Commission. This took place in 1955.

Mr. Fugitt passed away on November 3, 1959 and was succeeded by W. Gordon Eison who, at that time, was a member of the Board of Appeals. The office was moved to Charles Town for a short time and then to Parkersburg upon Mr. Eison's relocation.

Mr. Eison was a graduate of Glenville State College (AB) and West Virginia University (MA). He served the Wirt County Board of Education for a period of 14 years as teacher, coach, principal, and county superintendent of schools before moving on to the principalship of Charles Town High School in Jefferson County.

Mr. Eison was in his 12th year as principal at Charles Town when appointed to the Executive Secretary position. During his tenure as Executive Secretary, he, like Mr. Fugitt, was elected President of the National Federation of State High School Associations.

Mr. Eison retired September 1, 1975 and was succeeded by Mr. Sam Williams who, at the time, was serving as West Virginia's first Assistant Executive Secretary.

Mr. Williams was educated at Glenville State College (AB) and received his MA at West Virginia University. He then became Principal of Wirt County High School and served in that capacity for ten years. From Wirt County, Mr. Williams moved to New Matamoras, Ohio, where he served as Executive Head of that school district for two years and moved on to St. Marys High to serve as principal for five years. For a period of twenty years, Mr. Williams was active as a football official in high schools and colleges in West Virginia and Ohio and was ranked as one of the top football officials in the Mid-Atlantic Conference.

It was during his tenure that the Commission experienced tremendous growth, particularly in the area of girl's sports and state level championships. The current WVSSAC office was also built during this time. Mr. Williams retired on January 1, 1986.

Mr. Bill Hanlin became Executive Secretary on January 1, 1986, after serving as Assistant Executive Secretary since 1975. Mr. Hanlin was educated at Glenville State College (AB). He then coached football at Tyler County High School and Ashland High School, Ashland, Ohio. Mr. Hanlin entered the University of Maryland as a graduate assistant and earned his MA Degree. After receiving his MA at Maryland, he returned to St. Marys High School as football coach for nine years. He returned to Glenville State College as head coach in football from 1966 until 1975 before becoming the Assistant Executive Secretary.

Important programs implemented during Mr. Hanlin's tenure included the officials and schools rating systems, PROJECT TARGET, the Academic Achievement Awards and state-wide cheering competition. He also served on the National Federation of State High Schools Executive Committee as Vice President and was a member of the National Federation TARGET Executive Committee.

Mr. Jim Hamrick assumed the Executive Secretary position on January 16, 1989. A graduate of Glenville State College (AB) and West Virginia University (MA), Mr. Hamrick began his career at his high school Alma Mater, Meadow Bridge High School. After teaching math and coaching there for three years, he moved to Rainelle High School where he was head coach of all sports for four years. From there he went to Clendenin High School for one year. During that time he was a member of the WVSSAC Board of Appeals, directed the State Track Meet and served on numerous other WVSSAC Committees. He was also a member of the National Federation Track Rules Committee on two occasions. From there he moved on to Herbert Hoover High School for seven years. In 1970 he was named as principal at Clendenin Junior High School where he served until 1989. For twenty-five years he served as a football, basketball, baseball and track official. He also directed numerous state basketball tournaments and was director of the state track meet for thirteen years. He retired in August 1992.

Mr. Warren Carter assumed the position as Executive Secretary in September 1992. He had served as Assistant Executive Secretary since 1985. He graduated from Shepherd College (AB) and West Virginia University (MA). Mr. Carter taught at Charles Town and later assumed the principalship of Shepherdstown High School. He was the Principal at Jefferson High School at the time of his appointment to the WVSSAC staff. Prior to that time he had served as President of the Board of Appeals and as a member of the National Federation Executive Committee.

Important programs expanded or implemented during Mr. Carter's tenure included Sportsmanship, Ethics, and Integrity Program, NFICEP Coaches' Education, Regional Principals' Meetings, Girls' Sports, state championships in swimming and three-person officiating crews in basketball. He was also largely responsible for technology advancements such as computerized scanning of forms, office networking, and creation of a WVSSAC web site. He retired in December 1999.

REORGANIZATION AND LEGALIZATION

Prior to 1952, the Bylaws consisted of major rules to which had been added, over the years, explanations and rulings based upon interpretations and decisions of various Boards of Appeals. As a result of general acceptance and long usage, these explanations and interpretations acquired force and meaning comparable to the basic rules. Consequently, at the annual meeting of the Board of Control in 1952, official action was taken declaring that, because of usage, explanations and interpretations under the rules are a part of the rules.

At the annual meeting in 1955 a constitution was adopted establishing authority for a reorganization to include all interscholastic activities and the changing of the name of the organization from the "West Virginia High School Athletic Association." The reorganization provided for a division of the Bylaws into two separate parts: "The Athletic Bylaws" and "The Non-Athletic Activities Bylaws."

An act to amend Article 2, Chapter 18 of the Code of West Virginia of 1931 as amended by adding thereto a new section, designated Section 25, pertaining to The West Virginia Secondary School Activities Commission was enacted into law by the West Virginia Legislature on March 11, 1967. The new law created the West Virginia Secondary School Activities Commission as a legal entity, an arm of the county school boards. As such it is authorized by law to make rules and regulations and to adjudicate contested cases.

Prior to the enactment of the law in 1967, the Commission's scope of jurisdiction included supervision, control and regulation of all interscholastic extracurricular activities of the schools of its members. The law now limits the Commission's scope of jurisdiction to interscholastic athletic events and band activities.

The position of the Commission was further strengthened as the result of a decision rendered by the West Virginia Supreme Court of Appeals in a case styled, WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION v HARVEY OAKLEY, JUDGE, AND EDWARD LEE, dated September 1968.

The decision rendered is long and need not be recounted here in its entirety. However, a few very significant statements from that decision are important enough to be included in this section on LEGALIZATION. (Boldface is pertinent. Points not necessarily in order in the decision).

As a general rule courts should not interfere with the internal affairs of school activities commissions or associations.

The West Virginia Secondary School Activities Commission is still for all intents and purposes in the same position as it has been for the past fifty years; that is, that member schools eligible to participate may voluntarily do so, and after such participation, they agree to comply with the rules and regulations that have governed such organization in the past and will govern in the future.

The organization has had rules for eligibility of students to participate in athletics or procedure for declaring such students ineligible to participate and for disciplinary procedures for member schools and for the review of such action or decision made by the officers of boards of the association or organization during its entire existence. Where such procedure is provided for in such organization or association the procedure must be followed and due process of law may be afforded administratively without the use of or application to the courts.

(State ex. rel. Burchett v Taylor, 150 W.Va. 702, 149 S.E. 2d 234.)

The question as to whether a student's participation in interscholastic athletics is a CONSTITUTIONAL RIGHT or a PRIVILEGE was answered in litigation in the UNITED STATES DISTRICT COURT, SOUTHERN DISTRICT OF WEST VIRGINIA, CHARLESTON, in a Civil Action case No. 79-2497 Harris vs. West Virginia Secondary School Activities Commission, et. al.

On September 2, 1981, Chief Judge Dennis R. Knapp ruled:

"The Supreme Court held that a student's legitimate entitlement to an education is a property interest protected by the due process clause of the Fourteenth Amendment, Gross vs. Lopez, 419 U.S. 754; 95 S. Ct. 729 (1975). However, participating in interscholastic athletics is only a mere expectation rather than a constitutionally protected claim of entitlement and, thus, falls outside the protection of due process. Moreland v. Western Pennsylvania, 572 F. 2d 121 (3rd Cir. 1978). Even if the plaintiff's due process arguments were well founded, the WVSSAC, in both its rules and actions, provided plaintiff with a sufficient review procedure that ultimately resulted in the relief sought."

Judge Knapp's decision was appealed to the UNITED STATES COURT OF APPEALS FOR THE FOURTH CIRCUIT in Richmond, Virginia. On May 2, 1982, Senior Circuit Judge Clement F. Haynsworth, Jr. and Circuit Judges H. Emory Widener, Jr. and Robert F. Chapman agreed with and affirmed the District Court's opinion.

In June, 1987, a Petition for Writ of Mandamus was filed by A. James Manchin, Treasurer of State of West Virginia, asking that the WVSSAC comply with statutory requirements of state agencies and that the WVS- SAC deposit with the State Treasurer, within 24 hours, "all monies received or collected by them for or on behalf of the State for any purpose whatsoever."

The Supreme Court ruled and Justice McHugh wrote the opinion in December 1987. This opinion stated that "Funds received by the West Virginia Secondary School Activities Commission, which operates pursuant to authority granted it by county boards of education under W.Va. Code 18-2-25 (1967), are quasi-public funds" as defined in W.Va. Code 18-5-13 (1987), and are to be accounted for in a manner similar to that provided for funds of county boards of education, but such funds are not to be accounted for under W.Va. Code 12-2-2 (1983) as "monies due the State." Consequently, the Writ of Mandamus on behalf of Treasurer Manchin was denied.

The titles Executive Secretary, Assistant Executive Secretary and Board of Appeals were changed by the Board of Control in April 2002 to Executive Director, Assistant Executive Director, and Board of Directors respectively.

NATIONAL FEDERATION OF STATE HIGH SCHOOL ASSOCIATIONS

The National Federation consists of the fifty individual state high school athletic and/or activities associations and the association of the District of Columbia. Also affiliated are nine interscholastic organizations from the Canadian Provinces of Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland-Labrador, Nova Scotia, Ontario, Prince Edward Island, Saskatchewan and Quebec as well as the Canadian School Sports Federation and the associations of the Republic of the Philippines, Guam and Saint Thomas.

These associations have united to secure the benefits of cooperative action which eliminates unnecessary duplication of effort and increases efficiency through the pooling and coordinating of ideas of all who are engaged in the administration of high school athletic and activities programs.

ORIGIN AND GROWTH

The national organization had its beginning in a meeting at Chicago on May 14, 1920. L.W. Smith, secretary of the Illinois High School Athletic Association, issued invitations to neighboring states, and state association representatives came from Illinois, Indiana, Iowa, Michigan and Wisconsin. The primary purpose of the meeting was to discuss problems which had resulted from high school contests which were organized by colleges and universities or by other clubs or promoters. In many cases, little attention was paid to the eligibility rules of the high school associations or to

other school group regulations, and chaotic conditions had developed. At this first meeting it was decided that the welfare of the high schools required a more active part in the control of such athletic activities be exercised by the high school through the state associations, and this control necessitated the formation of a national organization. A Constitution and Bylaws were adopted and the group decided on the name "Midwest Federation of State High School Athletic Association." Principal George Edward Marshall, Davenport, Iowa, was elected president and Principal L.W. Smith of Joliet, Illinois, was elected secretary-treasurer.

In 1921, four states — Illinois, Iowa, Michigan and Wisconsin — continued their interest and became charter members through formal ratification of the constitution. Largely due to their efforts, the national organization grew during the early years.

In 1922, the Chicago annual meeting was attended by representatives from eleven states, and the name of the National Federation of State High School Athletic Associations was adopted. A number of college and university representatives who attended the meeting expressed sympathy for and interest in the efforts to introduce a high degree of order in the regulation of interscholastic contests.

Since that time, the National Federation has had a healthy growth to its present nationwide membership. By 1940, a national office with a full-time executive staff became necessary, and such office was established in September of that year.

The legislative body is the National Council made up of one representative from each member state association. Each representative must be a state association chief executive officer or governing board member. The executive body is the Executive Committee of twelve members from the eight territorial sections as outlined in the Constitution. Their election is by the National Council at its summer meeting.

STATEMENT OF PHILOSOPHY

The purpose of the National Federation of State High School Associations is to coordinate the efforts of its member state associations toward the ultimate objectives of interscholastic activities. It shall provide a means for state high school associations to cooperate in order to enhance and protect their interscholastic programs. In order to accomplish this, the National Federation is guided by a philosophy consistent with the accepted purposes of secondary education. Member state associations' programs must be administered in accordance with the following basic beliefs:

APPENDIX 1

This considers the following factors: enrollment, location and economics. These factors are given individual scores, which are then given a weighted aggregate total. All individual scores (scores for enrollment, location and economics) are normalized using maximum-minimum normalization using feature scaling, wherein their values fall between 0-1. Individual scores are calculated in the following ways:

The enrollment score takes enrollment data and normalizes it on a scale from 0-1

- The location score is calculated by finding the distance from the school to the closest city with a population of 10,000 or more, then normalized between 0-1.
- The economic score is determined by first calculating a county score where the z-score of the county's median household income is added to the z-score of the county's poverty rate and the sum is normalized between 0-1.

For all schools located within single high school counties, the county economic score serves as the school economic score.

For all schools located within multi-high school counties, Direct Certified numbers on students eligible for free or reduced lunch are used to scale the county economic score. The scaling is accomplished by comparing the Direct Certified numbers of each individual school with the county average.

Weights are applied to each score that are determined based on qualitative assessment by the WVSSAC Competition Balance Committee. All county data (population, median household income, and poverty rate) are from the most recent US Census American Community Survey's Five Year Estimates and the distances are determined using Google Maps.

The vacancy would then be filled at the next annual Board of Control meeting.

6.4. The honorarium of each of the officer-members shall be \$100.00 per meeting attended.

13.1.g. Members of the Review Board shall serve without pay but shall be reimbursed for actual expenses incident to the performances of their duties upon presentation to WVDE an itemized sworn statement thereof. Costs shall be taxed by the Review Board at its discretion, not to exceed the actual expenses incurred, against the party who fails to prevail and the Review Board may, in its discretion, if it so desires, require any appealing party to post security for costs with the State Superintendent in the sum of \$200.

13.1.h. The Review Board will sit for hearings within a reasonable time matter for review files an appeal, but not longer than 30 days after such appeal is filed, and at such other times as the Review Board may determine, at the State Capitol in Charleston, or in such other place as the Chair of the Review Board may elect.

13.2. The WVDE shall make available adequate and competent secretarial services to record the proceedings and transactions of each meeting of the Review Board and to prepare the official written report, required in these regulations, on each decision rendered by the Review Board.

13.3. Any decision of the Board of Directors involving a penalty, protest, or interpretation of the rules and regulations of this Commission governing interscholastic athletic or band activities may be appealed to the Review Board in the manner hereinafter described. Such appeal may be made by any member of the aggrieved party directly affected by the decision of the Board of Directors and aggrieved by such decision of the Board of Directors.

13.3.a. Appeals must be filed with the State Superintendent within 15 days after any final decision of the Board of Directors of the WVSSAC.

13.3.b. Upon receipt of any appeal, the State Superintendent shall immediately notify each member of the Review Board of the appeal and the Chair of the Review Board shall set a date, time, and place for hearing and shall immediately notify all interested parties, in writing, of the same.

13.3.c. The filing of any appeal shall not stay enforcement nor act to supersede the prior ruling or decision of the Board of Directors. However, pending the hearing of any appeal, at its discretion, the Board of Directors may grant a stay of enforcement upon such terms as it deems proper.

13.4. Proceedings for review shall be instituted by filing a petition with the State Superintendent within 15 days after the date upon which such party received notice of the final order or decision of the Board of Directors. A copy of the petition shall be served upon the WVSSAC or its Executive Director and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to effect any such appeal.

13.4.a. Within 15 days after receipt of a copy of the petition by the WVSSAC, or its Executive Director, or within such further time as the Review Board may allow, the Commission or the Executive Director shall transmit to the Review Board, the original or a certified copy of the entire record of the proceedings under review, including a transcript of all testimony and all papers, motions, documents, evidence, and records as were before the Commission, all Commission staff memoranda submitted in connection with the case, and a statement of matters officially noted; but, by stipulation of all parties to the review proceedings, the record may be shortened. The expense of preparing such record shall be taxed as a part of the costs of the appeal. The appellant shall provide security for costs involved. Upon demand by any party to the appeal, the Commission shall furnish, at the cost of the party requesting same, a copy of such record. In the event the complete record is not filed with the Review Board within the time provided for in this section, the appellant may apply to the Review Board to have the case docketed, and the Review Board shall order such record filed. Failure of the Commission to file the record within the time stipulated shall automatically stay the enforcement of the order or decision of the Board of Directors, in that particular case, and such stay shall continue until such record is filed.

13.4.b. Appeals taken on questions of law, fact, or both, shall be heard upon assignment of error filed in the case or set out in the briefs of the appellant. Errors not argued by brief may be disregarded, but the Review Board may consider and decide errors which are not assigned or argued.

13.4.c. The review shall be conducted by the Review Board without a jury and shall be upon the records made before the Commission, except that in cases of alleged irregularities in procedure before the Commission not shown in the record, testimony thereon may be taken before the Review Board. The Review Board may hear oral arguments and require written briefs.

13.5. After hearing all evidence and arguments, the Review Board shall render a decision in one of three forms:

13.5.a. Sustaining the ruling of the Board of Directors;

13.5.b. Reversing the ruling of the Board of Directors; or

13.5.c. Remanding the matter to the Board of Directors for further action.

13.5.c.1. The Review Board shall reverse, vacate, or modify the order or decision of the Board of Directors if the substantial rights of the petitioner or petitioners have been prejudiced because the administrative findings, inferences, conclusions, decisions, or orders are:

13.5.c.1.A. In violation of constitutional or statutory provisions;

13.5.c.1.B. In excess of the statutory authority or jurisdiction of the Commission;

13.5.c.1.C. Made upon unlawful procedures;

13.5.c.1.D. Affected by other error of law;

13.5.c.1.E. Clearly wrong in view of the reliable probative and substantial evidence on the whole record; or

13.5.c.1.F. Arbitrary or capricious, or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

13.5.c.2. Four members, present and eligible to vote, shall constitute a quorum for the Review Board to transact all business.

13.5.c.3. A majority vote of those members of the Review Board in attendance at any hearing shall be required to render a decision. Such decision shall be final and binding on all parties concerned.

13.5.c.4. Within 30 days from the date of any hearing, the Review Board shall make a written report of its decision, stating briefly therein its reasons for such a decision. Copies of the report shall be mailed to the State Superintendent, the Executive Director of the WVSSAC and, upon written request, to other interested parties.

13.6. Nothing in these regulations shall be construed to limit the Board of Directors in performing its regular duties as provided in the regulations of the WVSSAC; in making investigations and initiating proceedings against any member of the Commission; in making interpretations of the rules of eligibility of student athletes or band members; or in imposing penalties for the violations of any rules, regulations, or bylaws of the Commission.

13.6.a. §127-1-8.5, and §127-6-3.2, Violation of the Rules, infer or state that decisions of the Board of Directors are final and are hereby modified only to the extent that such final ruling of the Board of Directors may be appealed within the time limit in the manner prescribed elsewhere in these regulations and affirmed, reversed, or remanded by the Review Board.

§127-1-14. Rules and Regulations.

14.1. The constitution and bylaws of the WVSSAC are the rules and regulations of the Commission.

§127-1-15. Board of Trustees.

15.1. The Board of Directors shall appoint a five member Board of Trustees. Each trustee shall be a principal of a member school and shall serve at the will and pleasure of the Board of Directors. Two or more members serving as principals of secondary schools located in the same administrative district shall be ineligible to serve as trustees at the same time.

15.2. The Board of Trustees and their lawfully appointed successors shall hold title to all real estate and other property owned by the WVSSAC except as shall be directed otherwise by the Board of Control.

15.3. The Board of Trustees shall elect from the membership thereof, to hold office for a term of one year or until a successor shall be elected, a Chair and, if need requires, a Vice-Chair, Secretary and Treasurer.

15.4. The Board of Trustees shall serve without pay or honorarium.

15.5. If it so elects, the Board of Control shall direct the Board of Trustees to incorporate in accordance with the pertinent laws of West Virginia and in such manner as will fully protect and exempt from any and all legal liability the individual officers and members, jointly and severally, of the WVSSAC for an account of the debts and other obligations of every kind and description of the Commission.

15.6. Should a trustee withdraw from membership of the Commission or be excluded therefrom, that trusteeship therein shall automatically cease from the date of such withdrawal or exclusion.

15.7. Should a trustee refuse, within five days from the receipt thereof, to execute a legal instrument relating to any property of the Commission, when directed to do so by the Board of Control or the Board of Directors, and when all legal requirements have been satisfied with reference to execution, the Board of Directors may declare that membership on the Board of Trustees vacated.

15.8. The Board of Control and/or the Board of Directors may direct the trustees with respect to the purchase, sale, mortgage, encumbrance, construction, repairing, remodeling and maintenance of any and all property, real and personal, as may be committed to the trustees by the Board of Control or Board of Directors.

TITLE 127
LEGISLATIVE RULE
WEST VIRGINIA SECONDARY SCHOOL ACTIVITIES COMMISSION

SERIES 2
ATHLETICS, PROVISIONS GOVERNING ELIGIBILITY

§127-2-1. General.

1.1. Scope. -- These rules establish the provisions governing student eligibility to participate in interscholastic athletics.

1.2. Authority. -- W. Va. Constitution, Article XII, §2, and W. Va. Code §18-2-5 and §18-2-25 et seq.

1.3. Filing Date. -- July 12, 2023.

1.4. Effective Date. -- September 11, 2023.

1.5. Repeal of Former Rule. -- This legislative rule amends W. Va. 127CSR2, West Virginia Secondary School Activities Commission Series 2, Athletics, Provisions Governing Eligibility, filed November 10, 2022, and effective January 9, 2023.

§127-2-2. Waivers.

2.1. The West Virginia Secondary School Activities Commission (WVSSAC/Commission) Board of Directors (Board of Directors) is authorized to grant a waiver to a rule when it determines the rule fails to accomplish the purpose for which it is intended or when the rule causes extreme and undue hardship upon the student.

2.2. Speculative loss of college scholarship is not considered a basis for granting a waiver to these rules.

§127-2-3. Enrollment and Team Membership.

3.1. To be eligible for participation in interscholastic athletics,

3.1.a. a student must be enrolled full-time in a member school as described in §127-2-6 on or before the 11th instructional day of the academic year and meet all other eligibility rules that apply. Enrollment must be continuous after the student has officially enrolled in the school, or

3.1.b. a student must comply with W. Va. Code §18-2-25, section (d), and meet all other eligibility rules that apply, or

3.1.c. a student must comply with W. Va. Code §18-2-25, section (e), and meet all other eligibility rules that apply.

3.2. Students can participate in interscholastic activities only in schools in which they are enrolled; however, an exception may be granted by the Board of Directors as follows:

3.2.a. if a feeder school does not afford students the opportunity to participate and they are otherwise eligible.

3.2.b. for students from the West Virginia Schools for the Deaf and the Blind (WVSDB) to participate at Hampshire High School or Romney Middle School (only in sports not available at WVSDB).

3.2.c. Member schools containing grades 6 and/or 7 and/or 8 may combine students from two or more schools within the county or regional area to form one interscholastic team in a sport. Requests for permission to combine students from two or more schools in the same private/parochial or public school system must be submitted annually to the WVSSAC in writing by the superintendent of the private/parochial or public school system. Schools which are combining to form one team must be feeder schools for the same high school, and at least one school must have sufficient numbers for a team. If more than two schools are involved, principals are to evaluate the number of available participants in each school and shall combine schools to provide as many teams as sufficient numbers allow. Sufficient numbers will be defined as the number of a starting line-up plus 50% (for odd number line-ups, round up).

3.2.d. Students enrolled in the 9th grade may participate only on high school teams. Sixth grade students of a K-6 elementary feeder school may participate on their middle school team if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved. Members of a 9th grade team at a high school may be grouped for practice with members of the varsity team. However, if a 9th grade student participates in a varsity scrimmage or game, that student becomes ineligible for the 9th grade team. Participation is defined as dressing and being available to play in a game, regardless if the player enters the game.

3.2.e. Students at a middle feeder school who are not provided the opportunity to participate because of age may move up to their high school if granted permission by the county board of education or governing body of a private/parochial school and the school principals involved.

3.3. A student academically ineligible by rule may begin practicing 15 school days immediately prior to the date of regaining full eligibility provided all other eligibility requirements are met.

3.4. Students enrolled in the following grades in member schools will be eligible for middle school participation.

3.4.a. Grades 6, 7, and 8 may compete with and against schools/teams of the same configuration.

3.4.b. Stand-alone 9th grade programs at a high school may compete with and against schools/teams of the same grade configuration. An 8th grade student not provided the opportunity to participate at their member school because the sport is not offered may choose to participate on a stand-alone 9th grade team at their feeder high school, provided the student is otherwise eligible.

3.5. Sixth grade students are eligible to participate in all interscholastic sport teams, including football, in the middle/feeder elementary school in which they are enrolled.

3.6. Students who are enrolled in a grade below the 9th are not eligible for a high school team. Students enrolled in a grade below the 6th will not be eligible for a middle school team.

3.7. Twelfth grade students will be eligible for spring sports until the close of the school's season.

3.8. Schools may sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill. If a school sponsors a team in a particular sport for members of one sex but sponsors no such team for members of the other sex, and athletic opportunities for members of that sex previously have been limited, members of the excluded sex must be allowed to try out for the team offered. For example, because overall athletic opportunities for females have previously been limited, females will be allowed to try out for baseball, but males will not be allowed to try out for volleyball or softball.

3.9. Students enrolled at West Virginia School for the Deaf will be allowed to participate in sports at the West Virginia School for the Blind. Students from the West Virginia School for the Blind will be allowed to participate in sports at the West Virginia School for the Deaf.

3.10. Boarding students at member schools, with the exception of students at the WVSD, are not eligible. (Definition: A boarding student is one who receives room and board that is provided by the school unless such residence is based on Court Order or State Action.)

3.11. A homeschooled student receiving home instruction pursuant to W.Va. Code §18-8-1(c), a Hope Scholar, a micro school student, and/or a learning pod student, shall be considered eligible for participating in interscholastic athletic events and other extracurricular activities of the public secondary school serving the attendance zone in which the student resides with their parents or as allowed by §127-2-7.2.f and §127-2-7.2.f who:

3.11.a. has demonstrated satisfactory evidence of academic progress for the immediately preceding academic year (see W. Va. §127CSR3, Provisions Governing Contests, Glossary, for the definition of academic year) as defined by an average stanine of a four or higher in all content areas on nationally normed assessment;

3.11.b. is otherwise eligible to participate as a result of being subject to all other eligibility rules applicable to non-homeschooled students.

3.11.c. Has received all vaccinations as required for school attendance by West Virginia State Code.

3.12 A student attending a member or non-member private school, or a public charter school may participate in extracurricular activities in a public member school in the attendance area in which the student resides with their parents if the private school or public charter school does not offer the extracurricular activity. The student is required to show evidence of a 2.0 GPA. This provision does not guarantee membership on the team, but rather an opportunity to try out just like all other students.

§127-2-4. Age.

4.1. A student in high school who becomes 19 before July 1 and a student in middle school who becomes 16 before July 1 shall be ineligible for interscholastic competition.

4.2. A student in grade 8 or below who becomes 15 before July 1 shall be ineligible for interscholastic competition at that level.

4.3. A student in grade 8 or below who becomes 15 on or after July 1 shall remain eligible for the entire academic year at that level.

§127-2-5. Semester and Season.

5.1. A student may have the privilege to participate in the interscholastic program for seven consecutive years (14 consecutive semesters) after enrollment in 6th grade.

5.2. Ten days of attendance and/or enrollment shall constitute a semester of eligibility. Ten days includes the day of enrollment, the last day of attendance, and the elapsed time between, provided that they are days when school was actually in session.

5.3. The number of semesters of athletic eligibility of a student is determined by semesters of enrollment and attendance and not by semesters of participation. (This applies for students in grades 6-12.)

5.4. A student whose eligibility expires with the end of a semester shall not become ineligible until report cards are issued or five school days into the next semester, whichever occurs first. The student will be considered eligible any days between the two semesters.

5.5. Any part of a contest or interscholastic event in which a student competes shall be counted as a season for that sport and a semester of participation in grades 6-12.

5.6. The Board of Directors is authorized to grant a waiver to the Semester and Season Rule when it determines the rule fails to accomplish the purpose for which it is intended and/or when the rule causes extreme and undue hardship upon the student. Waivers may be granted in the following circumstances:

5.6.a. The Board of Directors is authorized to consider cases in which a student did not stay in continuous enrollment because of personal illness, or no school was available, or because of other undue hardship reasons ascertained through investigation.

5.6.b. The Board of Directors is authorized to release from the continuous enrollment restriction provided no participation has occurred during the semester(s) in question.

5.6.c. In no event may a student be allowed to participate for more than seven seasons or fourteen semesters in any one sport in grades 6-12.

5.7. The Board of Directors is authorized to assess appropriate penalties to the student or to the school if the Board of Directors determines through its investigation that the student or the school tried to evade the rule by subterfuge.

§127-2-6. Scholarship.

6.1. A student is required to be enrolled in the equivalent of four content area courses toward graduation. If the student is a senior, they are required to only be enrolled in the classes needed for graduation.

6.1.a. If a student is taking a multiple period course, such as block or vocational courses for a full morning or afternoon, it may be counted as more than one course.

6.1.b. If a student has been declared ineligible according to the standards outlined above, the student may attend summer school and have eligibility reinstated if the student meets the standards at the conclusion of summer school.

6.1.c. If a student has been declared ineligible according to the standards outlined above, the student may have eligibility reinstated at midpoint of the course if the student is meeting the standards at that time.

6.2. A student not attempting four full credit subjects during a semester must complete nine weeks of schoolwork to regain consideration for eligibility.

6.3. Any student who withdraws from school and does not re-enroll within ten school days of that withdrawal date will lose eligibility for the remainder of that semester.

6.4. Credit deficiencies cannot be made up after the last day of the semester except in a case where a student whose final examinations and course credit are delayed due to illness verified by a physician or as established by local board of education policy.

6.5. The official school transcript will be used to determine a student's eligibility and will be regarded as final.

6.6. In accordance with W. Va. §126CSR26, Policy 2436.10, Participation in Extracurricular Activities (C Rule) (Policy 2436.10), students must maintain a 2.0 grade point average to participate in interscholastic athletics.

6.7. A student expelled from any public, private, charter, or other school entity in WV or transferring to WV from another state where the student was expelled will not be eligible for participation in extracurricular activities until the expiration of the assigned expulsion.

§127-2-7. Residence-Transfer.

7.1. Part A - Residence - This residence rule applies to all students enrolled in grades 6-12 in all member schools.

7.1.a. A student shall be eligible in the school located in the attendance zone in which the student's parents reside. Public secondary school attendance zones shall be established by official action by each county board of education. The attendance zones of a private/parochial member school shall be identical with the attendance zone of the public school in which the private/parochial member school is located. In the event of overlapping attendance zones, a student shall be eligible at the school in which the student first chooses to enroll upon entering the 9th grade.

7.1.b. When a town or city is located in two counties and only one public secondary school is located in the town or city, students living in the town or city may attend this secondary school if mutually agreed upon by the two county boards of education and approved by the Board of Directors. A student shall be eligible at the school in which the student first chooses to enroll upon entering 9th grade.

7.1.c. A student who is in the care of the West Virginia Department of Health and Human Resources (WVDHHR) shall be eligible to participate in interscholastic athletics as a member of the athletic teams of the secondary school in the zone in which the WVDHHR places the student in a home, provided the student is otherwise eligible.

7.1.d. A student entering a school as an "unaccompanied youth" under the conditions of the federal McKinney-Vento Act may be granted eligibility for interscholastic competition by the Board of Directors in accordance with §127-2-1.

7.1.e. A student may be eligible outside the specified zone of attendance if the student has been in attendance in that zone the immediately preceding year (365 days). There can be no change of residence involving change of attendance zone during the immediately preceding year (365 days).

7.1.f. A student whose parents have resided in the school zone for a minimum of one academic year, during which the student has been in attendance for a minimum of one academic year, and whose parents make a bona fide change of residence to a new school zone during the academic year may:

7.1.f.1 Retain eligibility as long as the student retains continuous enrollment and attendance, or;

7.1.f.2 Transfer at time of change of residence to the school in attendance zone in which the parents are now residing and be eligible in that school, or;

7.1.f.1. Transfer at any time prior to the start of the next academic year to the school in the attendance zone in which the student's parents are residing and be eligible for interscholastic activities at the receiving school.

7.1.f.2. A student who has started participation in a sport, which would include practice or contest, that the student was participating in at the former school, may not participate in that sport for that sport season at the WVSSAC member school to which they transferred.

7.1.g. A student whose parents have resided in the school zone for less than one academic year, during which the student has been in attendance for less than one academic year, and whose parents make a bona fide change of residence to a new school zone during the school term may:

7.1.g.1. Retain eligibility for the balance of the academic year, provided the student retains continuous enrollment and attendance; or

7.1.g.2. Transfer at time of change of residence to the school in the attendance zone in which the parents are now residing and be eligible in that school; or

7.1.g.3. If a student chooses to remain enrolled at the school outside the attendance zone in which the student's parents reside at the conclusion of the academic year the student will be ineligible for the next academic year.

7.1.h. Foreign exchange students, attending a member school under the auspices of a Council on Standards for International Educational Travel (CSIET) student exchange program, shall be considered eligible regarding residence for a maximum period of one calendar year. A foreign exchange student may not be a graduate of the secondary school of the home country and must maintain eligibility in a member school. A foreign exchange program must assign students to schools by a method which ensures that no student, school, or other interested party may influence the assignment for athletic purposes.

7.1.i. A student returning from an approved foreign exchange program may resume interscholastic competition in the member school in which the student was enrolled at the point of interruption, provided the student does not fulfill graduation requirements while participating in the exchange program and provided the student meets all requirements relative to age and semesters of eligibility.

7.1.j. Any international student enrolling in a member school who does not meet the criteria of §127-2-7.1.h shall only be eligible to participate at the junior varsity level in any sport for the duration of the time the student is enrolled.

7.2. Part B - Transfer.

7.2.a. In addition to those transfers permitted by any other rule, a student shall be eligible for a one-time transfer during the grades 9-12 and shall retain their immediate eligibility following the transfer. This also applies to homeschool students, Hope Scholars, micro school students, learning pod students, and public charter school students. If the transfer occurs during a season in which the student has participated in any capacity within a WVSSAC established sports season (including, but not limited to summer participation) as set forth and published by the WVSSAC, the student will be eligible for all sports except for that sport.

7.2.a.1. Any additional transfers during the academic year from one secondary school to another secondary school, shall cause the student to be ineligible for 365 days from date of enrollment, absent a bona fide change of residence. Students who are ineligible under this rule may

practice during the period of ineligibility, given they meet all other factors of eligibility outlined in Policy 2436.10, §3. Eligibility. Determination of a bona fide change of residence depends upon the facts of each case and is defined as, but not limited to:

7.2.a.2. The original residence must be abandoned as a residence; in that the original residence is sold, rented, or disposed of as a residence, and must not be used as a residence by the immediate family;

7.2.a.3. The change is being made with the intent that the move is permanent;

7.2.a.4. The entire family must make the change;

7.2.a.5. Documentation of connection of utilities to the residence (e.g., power, water, waste, sewer);

7.2.a.6. Change of voter's registration, driver's license, mailing address, etc.;

7.2.a.7. If a student returns to a previously abandoned residence, the student shall be ineligible for 365 days from the date of enrollment.

7.2.b. If the transfer is from a home school or non-member school to a member school in the zone where the student's parents reside, a student is eligible providing: (1) the student is enrolling in a member school for the first time, (2) the principals of both the non-member and member schools involved concur that undue influence is not involved with the transfer, and (3) meet all other eligibility rules that apply. If a student leaves a public or private member school at the end of the academic year and becomes a home-schooled student for the first time, the student must provide evidence of a 2.0 from the second semester or the public or private member school in order to be eligible for extracurricular activities the next year. For each additional year, the student would follow provisions outlined in 127-2-3.11. A student who leaves a public or private member school anytime during the academic year to become a homeschooled student will be ineligible for extracurricular activities for the remainder of the semester. To gain eligibility, the student must provide evidence of satisfactory progress as defined by an average stanine of 4 or higher on a nationally normed assessment.

7.2.c. A student may be transferred from one attendance zone to another zone within the same county by a county board of education and maintain eligibility. The transfer must be initiated by county board of education personnel to fulfill certain special education program(s) not available in the attendance zone from which the student is transferred. Upon the completion of the special program, the student must return to the attendance zone of the student's residence.

7.2.d. For the purpose of athletic eligibility, the Commission does not recognize emancipated minor status as it relates to transfer.

7.2.e. A student transitioning from a feeder middle school to its assigned high school, as determined by the county board of education or the school's governing body, would not constitute a transfer.

7.2.f. If a member middle school student is released and accepted by formal actions of county board of education or governing body of a private/parochial school, the student will be granted immediate eligibility provided all other rules are met. The transfer must occur at the beginning of the academic year with the student enrolled on or before the eleventh instructional day of the beginning of the academic year and provided that the student is residing with the parents. This also applies to home school students, Hope Scholars, micro school students, learning pod students, and public charter school students. If the transfer occurs during a season in which the student has participated in any capacity withing the WVSSAC established sports season (including, but not limited to summer participation) as set forth and published by the WVSSAC, the student will be eligible for all sports except for that sport.

7.2.g. The eligibility of a student whose parents are divorced or legally separated is

determined by court decree establishing residency with one parent.

7.2.h. After establishing initial residency with one parent, all subsequent transfers will follow §127-2-7.2.a unless a change of residency is decreed by the court.

7.2.i. Any homeschooled student participating in interscholastic athletics pursuant to W. Va. Code §18-2-25(d) who leaves a member school during the school year is subject to the same rules/protocols that apply to non-homeschooled student transfers.

7.2.j. An out of state student in grades 6-12 who transfers to any WVSSAC member school is not eligible for participation in extracurricular activities unless the student meets all criteria as set forth in 127-2-7.2.a.

§127-2-8. Adoption/Guardianship.

8.1. A student shall be eligible to participate in interscholastic athletics and activities only if: (1) residing with one or both of the parents; (2) residing with a testamentary guardian following the death of the parents; or (3) residing in a location where the student was placed by the WVDHHR pursuant to §127-2-7.1.c.

8.2. The residence of a testamentary guardian shall constitute the residence of the ward when, and only when: (1) the testamentary guardian has been duly appointed by the last will and testament of the student's last surviving parent; (2) the testamentary guardian has duly qualified as such before the proper tribunal in West Virginia; and (3) the student is actually residing in the household of the testamentary guardian at the time of the student's sport participation.

8.3. Notwithstanding any other provision of the WVSSAC rules and regulations, any student residing with a guardian/custodian other than a testamentary guardian may not compete for a school in any sport on the varsity level but may compete at the junior varsity level. If a student elects to participate at the junior varsity level pursuant to this rule, the student may not participate at the varsity level even after being enrolled at the school for 365 days. However, if a student elects to participate at the junior varsity level pursuant to this rule, and then commences to reside with a custodial parent, the student may participate at the varsity level notwithstanding the fact that the student had previously participated at the junior varsity level pursuant to this rule.

8.4. Notwithstanding any other provisions of WVSSAC rules and regulations, legal guardian/custodian may not be changed for athletic reasons. A transfer for athletic reasons is defined in §127-2-7.2.e.1-4.

§127-2-9. Undue Influence - Recruiting.

9.1. The use of influence by a person or group, connected or not connected with the school, to secure or retain a student for athletic participation is not permitted and may cause the student to be ineligible and may cause certain sanctions to be placed against the member school.

9.2. An employee of the school system shall not initiate any communication regarding athletic participation or enrollment with a student, parent of a student, guardian, or family member, in person or through a third party, prior to enrollment. This does not include the introduction of athletic programs to students at feeder schools.

9.3. A student, parent of a student, or guardian shall not be offered for the purpose of encouraging enrollment in a school or participation in an athletic program any inducement, such as free tuition, jobs, supplies, uniforms, other than that which is provided for all students.

§127-2-10. Non-school Participation.

10.1. During a WVSSAC established sport season and while a member of a WVSSAC school team, a student may participate in, including but not limited to, showcases, clinics/camps, tryouts, fundraising activities, and similar activities (hereafter "events") in the same sport outside of WVSSAC school team activities, however, the student may not compete for a non-WVSSAC school, team club, or similar structured organization in their formally organized

competition/contest/match/game/practice in the same sport. For the identified non-WVSSAC events which are allowed during the sport season, approval for participation shall be obtained from the student's WVSSAC school/principal. The WVSSAC school/principal shall have discretion in approving the requested approval, but such shall not be unreasonably withheld. If approved the principal/school may set reasonable limitations therein for all matters which reasonably conflict with the WVSSAC school's practice and game/contest schedule including all regular and post season events taking into consideration that the WVSSAC sport season competition/contest/match/game/practices have priority over the non-WVSSAC school participation request.

10.1.a notwithstanding the provisions as contained in 10.1. a student may participate in during the sport season as a member of a national team (and the actual, direct tryouts thereof) which is defined as:

10.1.a.1. One selected by the national governing body of the sport;

10.1.a.2. while representing the National Federation in an international School sport Federation;

10.1.a.3. As a representative of the United States in recognized national or international events.

10.1.a.4. A qualifier for the West Virginia Golf Association's Amateur Championship or the United States Golf Association's United States Amateur Championship; or

10.1.a.5. the USA Swimming Junior National Championship.

10.2. A Student who has participated in a game/contest/ and/or practice on a non-WVSSAC school/team/club or similar structured organization or as an individual unattached in formally organized competition/contest/match/game/practice in the same sport after the WVSSAC established start date of the sport season will be ineligible for participation on that school team for that sport season in that particular sport except as provided by §127-2-10.1 and §127-2-10.2.

§127-2-11. Amateur.

11.1. A student who represents a school in an interscholastic sport shall be an amateur in that sport. An amateur athlete is one who engages in athletic competition solely for the physical, mental, social, and pleasure benefits derived therefrom. An athlete forfeits amateur status in a sport by:

11.1.a. competing for money or other monetary compensation (allowable travel, meals, and lodging expenses may be accepted);

11.1.b. receiving any award or prize of monetary value which has not been approved by the WVSSAC;

11.1.c. capitalizing on athletic fame by receiving money or gifts of monetary value (scholarships to institutions of higher learning are specifically exempted);

11.1.d. signing a professional playing contract in that sport.

11.2. Accepting a nominal, standard fee or salary for instructing, supervising, or officiating in organized youth sports program or recreation, playground, or camp activities shall not jeopardize amateur status. "Organized youth sports program" includes both school and non-school programs. Compensation for giving private lessons is permissible if approved by the WVSSAC.

11.3. A student who loses amateur status may apply to the WVSSAC for reinstatement in the interscholastic program after a waiting period of one complete high school season (starting practice date through state tournament or end of season) for that sport.

11.4. A senior student may participate in a professional tryout either during or after the season of that sport provided that:

11.4.a. it does not occur on the day of a school contest of that sport; and

11.4.b. it meets with the principal's approval.

§127-2-12. Participation as an Ineligible.

12.1. Any student who participates in an interscholastic athletic contest as an ineligible, either knowingly or inadvertently, shall be ineligible for a period not to exceed 365 days as determined by the WVSSAC Executive Director.

§127-2-13. Practice.

13.1. Only students enrolled and eligible to be listed on the eligibility certificate for that sport in the specific member school are allowed to participate in that school's practices. Exceptions are §§127-2-3.2, 127-2-3.5, and 127-2-13.6.

13.2. The frequency and length of practice is at the discretion of each member school.

13.3. Member schools of the WVSSAC may practice on any day of the year with the exception of Sunday practice. §127-3-14.2 further clarifies Sunday practice.

13.4. Individual players of a team must have practiced:

13.4.a. on five separate days before participating in an interscholastic scrimmage.

13.4.b. on 12 separate days, exclusive of the day of a contest, before participating in an interscholastic contest. The following sport(s) is exempted from the provisions of this rule: golf.

13.4.c. a student athlete who is absent from practice with their team for non-medical reasons, and not under a doctor care, for more than 14 consecutive days must have the required 12 separate practice days before resuming participation in a contest. Students participating in football must follow the practice progression as set forth in §127-3-23.

13.5. A student shall not be permitted to engage in interscholastic practice until that student has filed with the principal a completed Athletic Participation/Parental Consent/Physician's Certificate Form. §127-3-3 further explains this required form.

13.6. A student academically ineligible may begin practicing 15 school days immediately prior to the date of regaining full eligibility. (All other ineligible students may not practice.)

13.7. If a student has established eligibility in a sport requiring 12 separate days of practice and is continuing to participate in that sport or no school days have lapsed from one sport to another sport in a same season, the student may participate in another sport of the season after completing five separate days of sport specific practice in the second sport.

13.8. Students participating in a sport(s) in one season must have practiced 12 separate days, exclusive of the day of a contest, to be eligible to participate in a sport in the next season with the following exception: the student has continued to practice or participate in tournament play without an interruption of school days. The student must complete five separate days of sport specific practice in the second sport.

§127-2-14. Concussion.

14.1. Pursuant to W. Va. Code §18-2-25a, member schools are to provide information in the format approved by the Board of Directors to appropriate school administrators, coaches, interscholastic athletes, and their parents or guardians describing the nature and risk of concussion and head injury, including the risks of continuing to play or practice after a concussion or head injury. Annually, all interscholastic athletes and their parents are required to sign and return a statement that they have read the information provided to them prior to the interscholastic athlete beginning practice or competition for that scholastic year. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: Athletic Participation/Parental Consent/Physician's Certificate Form (Physical Exam Form), A Parent's Guide to Concussions (Information to parents), available on the WVSSAC website at <http://www.wvssac.org>.)

14.2. Each head coach of member schools is required annually to complete a concussion and head injury recognition and return-to-play protocol course approved by the WVSSAC. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: Coach's Course, available on the WVSSAC website at <http://www.wvssac.org>.)

14.3. An interscholastic athlete suspected of a concussion or head injury by a licensed health care professional or by the head coach or athletic trainer shall be removed from play or practice and not return-to-play or practice until the athlete is evaluated by a licensed health care professional trained in the evaluation and management of concussions and receives written clearance to return-to-play and practice from the licensed health care professional. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet: available on the WVSSAC website at <http://www.wvssac.org>.)

14.4. Any of the following who have appropriate training in the evaluation and management of head injuries shall be considered as the licensed health care professional enumerated in this rule:

14.4.a. Medical Doctor (MD);

14.4.b. Doctor of Osteopathy (DO);

14.4.c. Doctor of Chiropractic (DC);

14.4.d. Advanced Registered Nurse Practitioner (ARNP);

14.4.e. Physician Assistant (PA-C);

14.4.f. Registered Certified Athletic Trainer (ATC/R); or

14.4.g. Licensed Physical Therapist.

14.5. Member schools must submit Part I of the concussion report form to the WVSSAC within seven days and Part II within 30 days of an interscholastic athlete suffering or being suspected of suffering a concussion or head injury in a practice or game. (See, WVSSAC, Sports Medicine tab, Sports Medicine Packet, available on the WVSSAC website at <http://www.wvssac.org>.)

14.6. The WVBE shall be notified if any of the documents referred to in this section of the rule are revised, amended, or altered as to form or content. The documents shall include but not be limited to: Athletic Participation/Parental Consent/Physician's Certificate Form (Physical Exam Form); A Parent's Guide to Concussions (Information to Parents), Coach's Course, Return to Play Protocol, Concussion Report form. All forms are found in the WVSSAC Sports Medicine Packet and are available under the Sports Medicine tab, Sports Medicine Packet on the WVSSAC website at <http://www.wvssac.org>.)

§127-2-15. Emergency Action Plan (EAP).

15.1. Effective December 31, 2017, each member school shall adopt and submit to the WVSSAC and to the county board of education an EAP for athletics, designed to respond to athletic injuries that occur on school property during school-sponsored athletic practices and events.

15.2. Each EAP shall include:

15.2.a. Implementation of the EAP for every sport at every level. The EAP shall discuss how it is to be implemented with the participation of the school's principal and athletic director (if any), coaches, and athletes.

15.2.b. Training. The EAP shall include any necessary training for any person designated as responsible for any portion of the implementation of the EAP. Training may be in person or online, as may be available to the school.

15.2.c. Protocol for summoning emergency medical assistance. The EAP shall discuss how the school's sports teams will assign responsibility for summoning emergency medical assistance in the case of an emergency during a practice or event.

15.2.d. Protocol for beginning Cardiopulmonary Resuscitation (CPR). The EAP shall discuss how the school's sports teams will assign responsibility for beginning CPR in the event it is necessary. Each sports team must have individuals trained in CPR. The school shall provide proper training to any individual assigned responsibility for performing CPR.

15.2.e. Protocol for the use of Automated External Defibrillator (AED). Each member school will have an accessible AED on the school or event grounds during the duration of all athletic events and practices. The EAP must address how the school's sports teams will assign responsibility for retrieving and using an AED in the event it is necessary. Each sports team must be instructed on the location of the nearest AED to any practice or event facility. The school shall provide proper training to any individual assigned responsibility for using an AED.

15.2.f. Protocol for the treatment of heat stroke. The EAP must address how the school's sports teams will prepare for and treat heat stroke. Each sports team that practices outdoors is recommended to have available an emersion tub, and must have water, ice, and towels, to be used for the treatment of heat stroke. The EAP must address how the school's sports teams will assign responsibility for obtaining these items and preparing them before a practice or game begins.

15.2.g. Written records. The EAP shall require that each of the school's sports teams assign responsibility for the items discussed above at the beginning of each season, and record those assignments on a written record, which record shall be retained by the sports team and the school.

15.2.h. Symptoms and risk factors for sudden cardiac arrest. The EAP shall require that schools train athletes, coaches, and volunteers about the symptoms and risk factors for sudden cardiac arrest.

15.2.i. Coordination with local Emergency Medical Systems. The EAP shall require that schools coordinate with their local Emergency Medical Services (EMS) personnel, notifying EMS personnel of the availability of AEDs at the school, and notifying EMS personnel of the EAP adopted by the school.

15.2.j. Follow up retraining. The EAP shall require that school sports teams that respond to an emergency incident meet to discuss their response after the incident has passed. Discussion shall center on the team's response to the incident, areas for improvement, and retraining that may be necessary, and any counseling that may be required for the individuals involved.

15.3. Schools may, but are not required to, adopt the Anyone Can Save a Life Program (available at www.anyonecansavealife.org), which meets all of the requirements of this rule, to be implemented as that schools EAP in compliance with this rule.

LEGISLATIVE RULE
BOARD OF EDUCATION**

SERIES 26

PARTICIPATION IN EXTRACURRICULAR ACTIVITIES (2436.10)

§126-26-1. General.

Scope. -- This rule establishes academic eligibility of students to participate in extracurricular activities both during and after normal school hours in West Virginia public schools.

1.1. Authority. -- W. Va. Constitution, Article XII, §2, and W. Va. Code §§18-2-5, 18-2-25, 18-8-1, and 18-8-1a.

1.2. Filing Date. -- July 14, 2022.

1.3. Effective Date. -- August 15, 2022.

1.4. Repeal of Former Rule. -- This rule amends W. Va. 126CSR26, Policy 2436.10, Participation in Extracurricular Activities, filed November 12, 2020, and effective December 14, 2020.

§126-26-2. Purpose.

2.1. This policy promotes expectations of academic performance for students engaged in extracurricular activities. While students bear the responsibility to meet these expectations, school administrators are required to enforce eligibility rules to create a school environment primarily focused on academic performance.

§126-26-3. Applicability.

3.1. This policy applies only to interscholastic athletics, student government, and class officers in grades 6-12. Excluded from this policy are co-curricular activities which are closely related to identifiable academic programs/areas of study and which serve to complement academic curricular activities such as career and technical education, linguistic, mathematic, scientific, forensic, theatrical, musical, journalistic, and other similar academic cocurricular activities.

§126-26-4. Eligibility.

4.1. In order to participate in the extracurricular activities to which this policy applies, a student must meet the following:

4.1.a. adhere to all state and local attendance policies.

4.1.b. maintain a 2.0 average.

4.1.b.1. A 2.0 average is defined as a grade-point average (GPA) of 2.0 or better on a scale where an A is given the value of 4 points, a B is given the value of 3 points, a C is given the value of 2 points, a D is given the value of 1 point, and an F is given the value of 0 points.

4.1.b.2. For purposes of achieving the clearest and most uniform application of the policy for those schools which use a numerical grading system, all numerical grades shall be converted to the corresponding letter grade. Each letter grade shall be assigned the appropriate value as set forth above, and the average thereof computed to determine whether the student is eligible. No enhanced value

should be given for a plus or minus designation, such as B+ or C-; all grades with the same letter designation have the same numerical value in the 4.0 scale.

4.1.b.3. In computing a student's GPA for purposes of this policy, all subjects undertaken by the student and for which a final grade is recorded are to be considered. Athletic practice may not be counted as a subject. The total number of classes taken is divided into the total number of grade points earned to determine the GPA. Classes for which a pass/failure is awarded will be included in computing the GPA only if the student failed the class.

4.1.b.4. A student's eligibility will be determined for each semester by the student's GPA from the previous semester (or, in schools which do not use the traditional semester approach, during the previous 18-week period).

4.1.b.5. If a student does not maintain a 2.0 average for the semester, the student will be ineligible for participation for the following semester. Students not meeting eligibility requirements shall be reviewed at the mid-point of the second semester (the nine-week point) to determine whether the student has achieved a 2.0 average.

4.1.b.6. If a student does not earn a 2.0 average by the end of the second semester, the student may attend summer school to raise the GPA to become eligible for participation at the beginning of the next school year. For purposes of computing the GPA after summer school, all of the student's grades from the second semester plus the student's grade from the summer school will be used to determine the GPA.

4.1.b.7. A student who has not achieved a 2.0 GPA for the previous semester may have eligibility reinstated at midsemester if the student has attained at least a 2.0 GPA. In schools and/or counties where the traditional semester approach is not used, the nine-week point shall be utilized in place of the midsemester.

4.1.b.8. In the case of students with exceptionalities as set forth in W. Va. 126CSR16, Policy 2419, Regulations for the Education of Students with Exceptionalities, if grades are given, all grades received from placements in regular classrooms and special education classrooms should be included when computing the GPA. Exceptional students placed in ungraded programs will be eligible for participation in extracurricular activities if their records indicate that they are making satisfactory progress in meeting the objectives of their individualized education program (IEP).

4.1.b.9. Students who have had a break in public school attendance for any reason may be required to establish eligibility after re-enrollment in the public school. The credits/grades earned and transferred from the non-public setting shall be used in determining academic eligibility. Eligibility shall be gained at midsemester (nine-week point) if the student has attained at least a 2.0 GPA. In schools and/or counties where the traditional semester approach is not used, the nine-week point shall be utilized in place of the midsemester.

4.1.b.10. Students who are entering public schools or other West Virginia Secondary Schools Activities Commission (WVSSAC) member schools for the first time will be eligible for participation as follows:

4.1.b.10.A. Students who have not earned grades that the receiving school will accept for credit upon transfer will be eligible upon enrollment and must have a 2.0 GPA at the end of the semester in which they enroll to remain eligible.

4.1.b.10.B. Students who have earned grades that the receiving school will accept for credit upon transfer must have earned a 2.0 GPA in the previous semester to be eligible upon enrollment. If not eligible upon enrollment, the student shall become eligible at the midsemester (nine- week point) if the student has attained at least a 2.0 GPA.

4.1.b.11. Homeschooled students participating in interscholastic athletics pursuant to W. Va. Code §18-2-25(d) will be eligible for participation, provided that the student:

4.1.b.11.A. complies with the rules promulgated by the WVSSAC;

4.1.b.11.B. has demonstrated satisfactory evidence of academic progress for the immediately preceding year and that the student's average test results for the immediately preceding year are within or above the fourth stanine in all subject areas; and

§126-26-5. Severability.

5.1. If any provision of this policy or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this policy.

Questions and Answers

1. How do you compute GPA with block scheduling?

Answer: After careful review of eligibility determination and block scheduling, it appears that perhaps this issue has been made too complicated. If one keeps in mind that eligibility is based upon half credits of the previous semester (18 weeks), eligibility may easily be determined by using the Student Transcript/Permanent Record Card and the amount of credits attempted.

The following three recordings should clarify GPA computation for eligibility:

(1) Semester Recording: All full credit courses with final course grade recorded.

Course	Grade	Attempted Credit	Quality Points
English	A	1	4
Social Studies	B	1	3
Band	C	1	2
Algebra	D	1	1

GPA: $(4+3+2+1) \div 4 = 2.5$ eligible

(2) Semester Recording: All full credit courses with nine week grades recorded.

Course	Grade	Attempted Credit
--------	-------	------------------

English	A/B	1
Social Studies	C/B	1
Band	C/C	1
Algebra	D/F	1

GPA: $(4+3+2+3+2+2+1+0) \div 8 = 2.125$ eligible

(3) Semester Recording: Combination of full and half credit courses recorded.

Course	Grade	Attempted Credit
English	A	1
Social Studies	B	1
Band	C	1
Elective	C	.5
Elective	B	.5

GPA: $(4+4+3+3+2+2+2+3) \div 8 = 2.875$ or $(4+3+2+1+1.5) \div 4 = 2.875$ eligible

*In all cases, the computation of summer school grades will be based upon the method of recording on the Student Permanent Record Card and the amount of credit attempted.

2. How do you compute the 2.0 average?

Answer: (1) The basis for computing the grade-point average (GPA) will be the number of regularly scheduled periods, exclusive of study hall, non-graded classes, audited classes, or pass/fail classes for which a passing grade is given (pass/fail grades are not allowed for credit bearing courses).

(2) One grade will be given for each Course. At the Middle School Level If two (2) or more classes are taken during a period within a semester, the letter grade for each class will be converted to its appropriate grade point and averaged by the number of classes to determine a grade point for that period. The letter grade for each of the other periods will be converted to a grade point. Then all the grade points will be totaled and divided by the number of periods.

Middle School Examples:

(1) 2 classes
 9 weeks class - grade B - 3
 9 weeks class - grade C - 6
 $5 \div 2 = 2.5$ average

(2) 3 classes
 6 weeks class - grade B - 3
 6 weeks class - grade D - 1
 6 weeks class - grade D - .1

$$5 \div 3 = 1.66 \text{ average}$$

3. How do you compute summer school?

Answer: The basis for determining the number of periods will be the number of half credits awarded. Each half credit will count as one period and will be added to all grades earned during the second semester. The average will then be recomputed.

Example:

a. Classes from the previous semester:

2 classes in one period		2.5
Math	C	
Social Studies	C	
English	F	
Science	C	
Music	B	3
		11.5/6 = 1.916 Ineligible

b. Classes for summer school:

English	B	3
Algebra	B	3
		6

Final Average:

2 classes in one period		2
		.
		5
Math	C	2
Social Studies	C	2
English	F	0
Science	C	2
Music	B	3
English	B	3
Algebra	B	3
		17.5/8 = 2.1875 Eligible

4. How are grades averaged if a student is in a class three days in a week and study half the other two?

Answer: The grade earned for the class will be pro-rated to arrive at a period grade. In other words, if a class meets three days a week for a semester, that class would count as three-fifths or .6 in the calculation.

5. If a student attends Career-Tech school for three class periods but only receives one grade for these 3 periods, how do you compute the average?

Answer: The grade will be counted three times and considered as three periods.

6. How do you compute the grade when a student is taking three subjects during a class period during a semester?

Answer: The grades for each subject will be averaged to get a class grade. For example:

1st 6 weeks	Grade B	3.0	
	2nd 6 weeks	Grade C	2.0
3rd 6 weeks	Grade C	<u>2.0</u>	

$7.0 \div 3 = 2.333$ - grade point average for that class period

7. How will schools on modular schedules without traditional class periods be computed?

Answer: Each grade per one-half unit will be counted as one period. Classes for which less than one-half unit is awarded may be grouped together to form one-half unit (at least 4,050 minutes) and the grades earned in those classes then computed as in question 6. In grades 7 and 8, where units are not awarded, classes may be grouped by using the length the regularly scheduled period rather than the one-half unit as the basis for computation

8. May a student practice during the period of ineligibility?

Answer: No, if the student does not have a 2.0 average, he or she may not practice, with one exception. The exception is that a student may begin practicing 15 practice days before the end of his/her period of ineligibility (at nine weeks and at end of semester), if it can be confirmed that the student has a 2.0 average at that time.

9. In cases where students are attempting to regain their eligibility at midsemester, what is meant by most recent grading period?

Answer: In systems utilizing a nine-week marking period, the students must have a 2.0 GPA for that grading period. In systems utilizing a six-week marking period, the student must have a 2.0 GPA at that grading period and continue to maintain a 2.0 GPA until midsemester (nine weeks).

a. If the most recent grading period is six weeks and a student has achieved at least a 2.0 GPA, the student may begin practice and if the student still has at least a 2.0 GPA at the end of nine weeks, he/she will be eligible the tenth week.

b. If the most recent grading period is nine weeks, the school may check the student's grades at six weeks and allow the student to begin practice if the student has achieved at least a

2.0 GPA. At the end of the grading period (nine weeks in this case), the student will be eligible the tenth week if the 2.0 or better has been maintained.

10. How is the GPA computed if a student fails a class in summer school?

Answer: All summer school grades will be considered in determining a student's eligibility for the following semester.

11. If a student has a 2.0 at the end of the second semester and chooses to go to summer school, can he/she lose their eligibility if they fail classes?

Answer: No. Previous semester GPA can't be lowered by summer school grades.

12. If a student fails second semester English, can it be made up in summer school?

Answer: Yes, however, when determining the GPA, both grades (second semester and summer school) must be averaged.

13. What happens if a student has an incomplete?

Answer: All incompletes will be computed as an "F"; until made up. This applies to the C-Rule only and not the West Virginia Secondary School Activities Commission Scholarship Rule.

14. If a student comes from an elementary school and does not have a 2.0 average, is he or she eligible?

Answer: Yes. Any student entering the sixth grade of a middle school for the first time will be eligible. This student must have a "C" average at the end of the first semester to remain eligible.

15. What happens if a student transfers from out of state?

Answer: He or she must have a 2.0 average in the school previously attended for the previous semester.

16. What happens if a student transfers from another county which has numerical grades?

Answer: The numerical grades must be changed to letter grades using the sending county's grading scale.

17. Do you use weighted grades computed in the GPA compute his/her average?

Answer: A weighted grading scale cannot be used. Every grade will be converted using the four-point scale and then computed.

18. Can a second semester class be wiped out or deleted after attending summer school in computing the 2.0 average?

Answer: No. All classes taken during the second semester and summer school will be used in computing the GPA.

19. May a student repeat a class for which he or she has received a low grade in summer school or during a regular semester to raise the GPA?

Answer: The criterion for retaking a course depends upon local school and/or county policy. However, the method of computation would be the same as those used for averaging summer school classes.

20. If a student has established eligibility for the semester, can he lose eligibility prior to the end of the semester?

Answer: No.

21. What happens if a student withdraws from a class?

Answer: Local policies regarding withdrawal from class must be followed. Grades recorded will be calculated as in questions 20, 21, and 22.

22. In determining eligibility, how are classes for which pass/fail grade averaged?

Answer: Pass/fail classes grades are not allowed for credit bearing courses however non-credit bearing courses in grades 8 and below it must be included only if the student failed the class.

23. What classes must be considered in computing the "C" average for eligibility?

Answer: All subjects that are undertaken by a student and for which a grade is recorded.

24. Are there activities not considered when computing eligibility?

Answer: Yes. Study Hall, non-graded classes and audited classes are not considered when computing the average.

25. Does a student need to meet any other scholarship rule in order to participate in extracurricular activities?

Answer: Yes. Students must meet all rules and regulations of the WVSSAC and rules of local board of education.

26. Does a team manager need to have a C-average?

Answer: Yes, all student assistants must have a C-average.

27. How do you compute grades if a student is taking three different courses in VoCareer-Tech school?

Answer: Each grade for the three courses will be considered in computing the average.

2.2. The principal or designee shall notify coaches and faculty (§127-3-6) of the rules and regulations of this Commission. It shall be that individual's responsibility to notify those students participating in WVSSAC activities. Failure of the principal in performing this responsibility will not prevent the Commission from enforcing its rules and regulations.

2.4. The principal has the authority to designate a member of the faculty who must supervise all interscholastic activities.

2.5. The principal is responsible for adequate team and crowd control measures at home contests in which the school participates, assuring that the school's participants and fans conduct themselves in a proper manner, and assuring that all fans and officials are provided adequate protection. Philosophy -- A student should have the opportunity to engage voluntarily in school athletic activities provided that the student is eligible, that such activities do not interfere with the student's educational development and their activities do not conflict with the principles of wholesome amateur athletics. The WVSSAC discourages the exploitation of students by overzealous individuals and organizations who attempt to impose an obligation or pressure on the student. Athletic participation should be used for the pleasure and satisfaction that is derived from athletic competition in a variety of experiences.

7.2. With principal approval, each sport program may use 32 flex-days from Monday of Week 49 through Friday of Week 48 of the next academic year. A flex-day is a day, outside the regular season and when a coach may have sport-specific contact with student athletes. Flex-days shall not be used during the first week of each high or middle school sport season. Use of any part of a day for an activity will count as a full day of activity.

7.2.a. These flex days shall be combined with all varsity and sub-varsity sports by teams. (A flex day used by a sport counts for all levels of that sport per school.) Participation must be open to all students, voluntary, and not required directly or indirectly for membership on a school team. 7.5. Coaches may participate in a formal development program of the United States Olympic Committee (USOC) involving students of the same sport as their coaching assignments. The formal development program must be under the official guidance of the USOC through the National Governing Body (NGB) of the sport. The NGB must assure in writing to the WVSSAC that coaches will receive formal orientation and that strict supervision and monitoring of coaches will ensure that no recruitment or inappropriate influence will be exerted on students.

7.6. Conditioning/Recreation Programs -- Throughout the academic year, students who are not

participating in a school's athletic program may voluntarily participate in an off-season conditioning program. This program also may occur during the summer, subject to county board of education or governing body approval and the following provisions:

In cases where schools schedule all students into the last period of the school day, the guidelines in §§127-3-7.6.c, 127-3-7.6.d, and 127-3-7.6.e shall apply unless the class is considered a part of the physical education program and credit is earned. There shall be no teaching of sport specific skills in this case unless those same skills and course of study are taught in all physical education classes at this same time of the academic year.

7.6.g. The county board of education may choose to compensate the supervisor or director- of conditioning/recreation programs.

7.7. Coaches may not promote, initiate, organize, supervise, or participate in out-of-season events involving students of the same sport as the grade level coaching assignment and preceding grade level except as specified in §§127-3-7.2, 127-3-7.2.a, and 127-3-7.3 until the student has aged out of the coach's assignment. A middle school coach may coach an 8th grade student in the same sport after the conclusion of the season. A high school coach may coach an athlete once the student has completed the senior season. The county board of education shall be authorized to approve a coach to organize and/or supervise a recreation program for students. However, this type assignment must be recreational in nature, include a variety of activities, and comprise no coaching or instruction of that same sport as the school coaching assignment. In addition to the above, gymnasiums or facilities opened for recreational activities must use the following requirements:

7.7.a. The gymnasium or field is open to all students for participation.

8.2. When a student is declared ineligible subsequent to competing as an individual, or a penalty has been imposed or action taken by the WVSSAC, the student's performance shall be stricken from the records and the points contributed to the team total deleted. The team standings will be adjusted accordingly, and any awards received shall be returned.

8.3. When a student is declared ineligible subsequent to representing the school in team competition or a penalty has been imposed by the WVSSAC, the contest(s) may be forfeited. 3.1.d. Insist upon adequate safety provisions for all activities, for both participants and spectators.

3.1.e. Approve only those activities and schedules which are educationally and physically sound for the student.

3.1.f. Encourage all to judge the success of the athletic program on the basis of the education goals and the attitude of the participants and spectators, rather than on the basis of the number of games won or lost.

3.1.g. Insist that the students exemplify the highest standards of good sportsmanship as a means of inculcating desirable spectator attitudes.

3.1.h. Provide adequate hygienic, sanitary, and attractive facilities for the dressing and housing of visiting teams and officials.

3.1.i. Review with staff the Sportsmanship Rule.

3.2. The coach shall:

3.2.a. Demonstrate high ideals, good habits, and desirable attitudes in personal behavior and demand the same standards of the students.

3.2.b. Recognize that the purpose of competition is to promote the physical, mental, social, and emotional well-being of the students and that the most important values of competition are derived from playing the game fairly.

3.2.c. Be a modest winner and a gracious loser.

3.2.d. Maintain self-control at all times, accepting adverse decisions without public display of emotion or of dissatisfaction with the officials.

3.2.e. Cooperate with the school principal in the planning, scheduling and conduct of sports activities.

3.2.f. Employ accepted educational methods in coaching, giving all students an opportunity to use and develop initiative, leadership, and judgment.

3.2.g. Pay close attention to the physical condition and well-being of the students refusing to jeopardize the health of an individual for the sake of improving the team's chances to win.

3.2.h. Teach students that it is better to lose fairly than win unfairly.

3.2.i. Prohibit gambling, profanity, abusive language, and similar violations of good sportsmanship.

3.2.j. Refuse to disparage an opponent, an official, or others associated with athletic activities and discourage gossip and questionable rumors concerning them.

3.2.k. Properly supervise students under their immediate care and specifically observe a coach's responsibilities in conjunction with state interscholastic contests.

3.3. The spectator shall:

3.3.a. Realize that they represent the school just as definitely as does the member of a team, and, therefore, has an obligation to be a true sportsman, encouraging through this behavior the practice of good sportsmanship by others.

3.3.b. Recognize that good sportsmanship is more important than victory by approving and applauding good team play, individual skill and outstanding examples of sportsmanship and fair play exhibited by either team.

3.3.c. Recognize that, since the primary purpose of interscholastic athletics is to promote the physical, mental, moral, social, and emotional well-being of the students through the medium of contests, victory or defeat is in reality of secondary importance.

3.3.d. Treat visiting teams and officials as guests, extending to them every courtesy.

3.3.e. Be modest in victory and gracious in defeat.

3.3.f. Respect the judgment and integrity of officials, realizing that their decisions are based upon game conditions as they observe them.

3.4. The student shall:

3.4.a. Be courteous to visiting teams and officials.

3.4.b. Participate to the limit of their ability. The true student does not give up, nor do they quarrel, cheat, bet, or grandstand.

3.4.c. Be modest when successful and be gracious in defeat. A true "sport" does not offer excuses for failures.

3.4.d. Maintain a high degree of physical fitness by observing team and training rules conscientiously.

3.4.e. Demonstrate loyalty to the school by maintaining satisfactory scholastic standing and by participating in and supporting other school activities.

3.4.f. Understand and observe the rules of the game and the standards of eligibility.

3.4.g. Respect the integrity and judgment of officials and accept their decisions without questions.

3.4.h. Respect the facilities of host schools and the trust entailed in being a guest.

3.4.i. The cheerleader shall always cheer positively for the team and never negatively against the opponent.

3.5. The official shall:

3.5.a. Place the welfare of the student above all other considerations.

3.5.b. Know the game rules thoroughly and give intelligent interpretations.

3.5.c. Maintain confidence and control from start to finish.

3.5.d. Work cooperatively with fellow officials and game administrators.

3.5.e. Refrain from exhibiting emotions or arguing with a student or coach. Maintain self-control under all conditions.

3.5.f. Be fair, impartial and professional.

3.5.g. Be neat and dress in the appropriate uniform.

3.5.h. Be in adequate physical condition for the demands of the particular sport.

3.5.i. Refrain from commenting upon or discussing a team, play, game situation, or fellow official.

3.5.j. So conduct the game as to enlist the cooperation of students, coaches, and spectators in the interest of good sportsmanship.

3.6. *Protection, Facilities, and Assistance.* The home team is expected to furnish supervision. Outdoor facilities or playing facilities should be separated from the spectators by a restraining barrier (fence, wire, rope, etc.). Officials should be provided with a parking space, private dressing facilities not accessible to unauthorized personnel, and should be paid no later than half-time of game. The use of trained, competent, adult "assistant officials," i.e., scorers, timers, chain and down marker crews, etc., is strongly recommended.

3.7. *Statement of Policy.* Insofar as unsportsmanlike actions by students, school administrators, officials, coaches, faculty members, and spectators are concerned, the identical items under the Sportsmanship Rule along with the following guides will be referred to by the WVSSAC:

3.7.a. The school whose coach behaves in a manner likely to have adverse influence on the attitudes of students or spectators may be provided with the choice of taking disciplinary action against that coach or having the entire school disciplined by the WVSSAC.

3.7.b. Any student who in protest lays hands or attempts to lay hands upon an official may be declared ineligible by the principal or by the WVSSAC for up to one year. Any student who strikes an opponent, coach, or a spectator during or following an athletic event may be declared ineligible by the principal or the WVSSAC for a specified period of time up to one year, depending on the seriousness of the act.

3.7.c. Any coach, player, team member, student, or bench personnel ejected or disqualified by rule will be suspended for the remainder of a game, match, meet, contest or other interscholastic event, (ejected, disqualified or disqualification hereafter) (Excepting any applicable ejection or disqualification sport specific rule not involving sportsmanship) by an official, referee, judge, or other such person charged to administer participation. The coach, player, team member, student, or bench personnel ejected or disqualified will also be suspended an additional contest(s); the suspension is assessed based upon ten (10) percent of the allowed regular season contests for that sport. Regardless of when the suspension occurs (regular season or post season), the length of the suspension (number of contests) will be as follows: golf (two); cross country (two); soccer (two); volleyball (two play dates); football (one); cheer (one); swim (two); wrestling (two weigh ins); boys basketball (two); girls basketball (two); tennis (two); track (two); softball (three); and baseball (three). The suspension will include the number of indicated contests in that sport and at that level and all other sport contests in the interim at any level. A second ejection or disqualification will result in the doubling of the suspension assessed for the first ejection. If an individual is ejected or disqualified for a third time during the same sport season, the individual will be suspended from participating or coaching for 365 calendar days from the date of ejection or disqualification. In accordance with Rule 127-3-15.3, an individual ejected or disqualified may not appeal that ejection or disqualification, but may appeal any subsequent suspension that is a consequence of the ejection or disqualification.

3.7.c.1. Any coach, player or bench personnel who has been ejected shall not be permitted to attend any contest(s) during said suspension. He/she shall not be affiliated with the team in any capacity. This would include but not be limited to transportation to or from the contest, meeting with the team before, during or after said contest. He/she is not permitted to be in sight or sound of said contest venue. Regular practice or team meetings not affiliated with a contest are permitted.

3.7.c.2. If suspensions are imposed to a student or bench personnel at the end of the sport season and no contest remains, the suspension is carried over to that particular sport until the next school year. In the case of a senior student, the penalty will continue to the next WVSSAC sponsored sport.

3.7.c.3. Any coach suspension that cannot be enforced during the sport season in which the ejection occurs will be enforced at the beginning of the next season of that same sport.

3.7.d. In case of spectators physically molesting an official, administrator, coach, or student, the school may be given one of two options: 1) file charges against the offender (s) or 2) accept discipline from the WVSSAC. Any person found guilty of W. Va. Code §61-2-15(a) Assault, Battery on

Athletic Officials, while these individuals are working or as a result of working an athletic contest, shall be banned from all WVSSAC athletic events for a minimum of 365 days from the date of being found guilty. The school filing charges shall notify the WVSSAC of the incident and outcome of any legal action.

3.7.e. The school that does not lend complete cooperation in the host school's effort to promote the spirit of good sportsmanship may be disciplined by the WVSSAC.

3.7.f. A coach may be considered as committing unsportsmanlike conduct if they make degrading remarks about officials during or after a game either on the field of play, from the bench, or through any public news media, argues with officials, or goes through motions indicating dislike for a decision, protests the decision and actions of officials pertaining to the game during and after the contest, or detains the official on the field of play following a game to request a ruling or explanation of some phase of the game. If a coach feels he/she has a legitimate criticism of a penalty call or a request for a rule interpretation, such criticism or request should be made in the privacy of the coach's office or the official's quarters and should be made in a courteous manner.

3.7.g. A student or team attendant shall not leave the bench area, team box area, or their designated off-field area during a game or contest other than during that time permitted by game or contest rules. A coach shall not leave the bench area, team box area, or the designated off-field area during a game or contest other than during that time permitted by game or contest rules unless a student altercation is taking place and the official requests assistance. Violation of this rule shall cause the coach, student, or team attendant to be immediately ejected from the contest; team penalized according to game or contest rules; and that coach, student, or team attendant will not be eligible to participate in the next contest as outlined in §127-4-2.3.

3.8. Procedure. Unsportsmanship action must be reported in detail to the WVSSAC. A copy of the complaint must also be filed with the principal of the school involved. Each principal involved shall report such information or answers to the report as they deem appropriate. Upon receipt of all reports, the Executive Director and/or the Board of Directors of the WVSSAC shall investigate and adjudicate such reports in accordance with the powers afforded in §127-1-8.6 and 8.7 and §127-1-12.2 and 12.3 of the Constitution. Penalties up to and including suspension of member schools may be made in accordance with §127-4.

3.9. The following defines the different types of disciplinary action which may be assessed for violation of any WVSSAC rule by a member school, administrator, coach, athlete or contest official:

3.9.a. *Warning.* A warning may be given by the Executive Director or Assistant Executive Director. It is official notice that an inexcusable, unethical, or unsportsmanship action has occurred, is a matter of record, and that such an occurrence must not be repeated.

3.9.b. *Probation.* Probation is a much more severe type of warning and may be expressed two ways: 1) a school, coach, student, or team attendant on probation is told that further violations will lead to a fine or suspension; and/or 2) a school on probation is on conditional WVSSAC membership but may engage in its regular schedule, sanctioned events, and all WVSSAC tournament play, providing a program is filed with the Executive Director of the WVSSAC indicating measures to be taken to alleviate this problem which caused the school to be placed on probation.

3.9.c. *Suspension.* A school/coach suspended from the WVSSAC may not meet in interscholastic competition of any kind with a WVSSAC member school or a school that is a member of another state associated with the National Federation of State High School Associations.

3.9.d. *Fine.* A fine may be levied by the Executive Director.

3.9.e. Each of these sanctions (Warning, Probation, Suspension, and Fine) may be imposed or levied separately, or in a combination of one or more sanctions.

3.10. *Appeals.* All cases involving disciplinary action against member schools, coaches, students, team attendants, or officials may be protested in accordance with W. Va. §127CSR6, Violations of the Rules (Rule §127-6). However, disciplinary action imposed by an official, including disciplinary action that is a consequence of a decision by an official, such as a suspension for an additional game or games as a consequence of an ejection, is governed by Rule 127-3-15.3 and is not subject to appeal.

3.11. *Review of Ejections.* Disciplinary action imposed by a contest official, including disciplinary action that results in a suspension for an additional game or games as a consequence of an ejection, is not subject to appeal pursuant to Rule §127-6. However, if the individual ejected believes the ejection was improper, he/she may request a review of the ejection by his/her principal. If the principal believes there is merit in the requested review, the principal shall complete and submit the WVSSAC Ejection Review Form within 24 hours or the next business day of the ejection to the Executive Director of the WVSSAC. If a review is properly requested, the WVSSAC will review the officials' special report, the WVSSAC Ejection Review Form, and such other information as the WVSSAC deems appropriate. Upon review, the WVSSAC Executive Director or the designated Assistant Director will either sustain the ejection and any consequent suspension(s), or will determine the ejection was improper and void any consequent suspension(s). A decision by the WVSSAC upon reviewing an ejection is not subject to appeal pursuant to Rule §127-6.

5.3. In order to qualify for approved participation in activities outside the home county and counties contiguous to the home county (including out-of-state), bands of member schools must have participated within the guidelines of the WVSSAC Band Festival Plan in the most recently conducted regional band festival.

5.4. All answers shall be filed with the Board of Directors within five (5) days after receipt of the petition for appeal.

5.5. In the event that the parties are unable to dispose of the issues without a hearing or if the Board of Directors elects to proceed without a pre-hearing conference, the Executive Director shall notify all parties in writing of the date, time and place set for a hearing on the appeal. The notice shall be given at least seven (7) days in advance of the time set for the hearing and shall contain a short and plain statement of the issues involved. Said hearing shall be conducted in conjunction with a regularly scheduled meeting of the Board of Directors. In this event, costs for such a meeting shall not be taxed against the petitioner(s).

5.6. The matter may be heard at a special meeting of the Board of Directors provided the petitioner(s) agrees in writing to pay all costs incidental to such meeting. Such costs shall not exceed the actual expenses incurred. The Board of Directors, at its discretion, may require the petitioner(s) to post adequate security for such costs with the Executive Director.

5.7. If the petitioner(s)' appeal should prevail at the special meeting of the Board of Directors or at a subsequent hearing before the Review Board, the security deposit or the posted costs shall be returned to the petitioner(s).

5.8. All parties to any appeal may represent themselves or be represented by an attorney licensed to practice law in the State of West Virginia.

5.9. Irrelevant, immaterial, or unduly repetitious evidence shall be excluded. Objections to evidentiary offers shall be noted in the record. Any party to any such hearings may vouch the record as to any excluded testimony or other evidence.

5.10. All evidence, including papers, records, Commission staff memoranda, and documents, in the possession of the Commission, of which it desires to avail itself, shall be offered and made a part of the record in the case. Documentary evidence may be received in the form of copies of excerpts or by incorporation by reference.

5.11. Every party shall have the right of cross-examination of witnesses who testify, and shall have the right to submit rebuttal evidence.

5.12. All of the testimony and evidence of any such hearing shall be reported by stenographic notes and characters or by mechanical means. All rulings on the admissibility of testimony and evidence shall also be reported. The Board of Directors shall prepare an official record, which shall include reported testimony and exhibits in each contested case, and all Commission staff memoranda and data used in consideration of the case, but it shall not be necessary to transcribe the reported testimony unless required for purpose of rehearing or review. Informal disposition may also be made of any contested case by stipulation, agreed settlement, consent order or default.

§127-6-6. Review Board.

6.1. Any decision of the Board of Directors involving penalty, protest or interpretation of the rules and regulations of this Commission may be appealed to the Review Board in the manner hereinafter described. Said appeal may be made by any member of the aggrieved party which is directly affected by the decision of the Board of Directors and aggrieved by such decision of the Board of Directors.

6.2. Appeals must be filed with the State Superintendent of Schools of West Virginia within fifteen days after any final decision of the Board of Directors of the WVSSAC.

6.3. Upon receipt of said appeal, the State Superintendent of Schools shall immediately notify each member of the Review Board of said appeal and the Chairman of said Review Board who shall forthwith set a date, time and place for hearing and shall immediately notify all interested parties, in writing, of the same.

6.4. The filing of any appeal shall not stay enforcement nor act to supersede the prior ruling or decision of the Board of Directors. However, pending the hearing on any appeal, at its discretion, the Board of Directors may grant a stay of enforcement upon such terms as it deems proper.

6.5. Proceedings for review shall be instituted by filing a petition, in quintuplicate, with the State Superintendent of Schools within fifteen days after the date upon which such party received notice of the final order or decision of the Board of Directors. A copy of the petition shall be served upon the WVSSAC or its Executive Director and all other parties of record by registered or certified mail. The petition shall state whether the appeal is taken on questions of law or questions of fact, or both. No appeal bond shall be required to effect any such appeal.

6.6. Within fifteen days after receipt of a copy of the petition by the WVSSAC or its Executive Director, or within such further time as the Review Board may allow, said Commission or said Executive Director shall transmit to such Review Board, the original or a certified copy of the entire record of the

proceedings under review, including a transcript of all testimony and all papers, motions, documents, evidence and records as were before the said Commission, all Commission staff memoranda submitted in connection with the case, and a statement of matters officially noted; but, by stipulation of all parties to the review proceedings, the record may be shortened. The expense of preparing such record shall be taxed as a part of the costs of the appeal. The appellant shall provide security for costs involved. Upon demand by any party to the appeal, said Commission shall furnish, at the cost of the party requesting same, a copy of such record. In the event the complete record is not filed with the Review Board within the time provided for in this section, the appellant may apply to the Review Board to have the case docketed, and the Review Board shall order such record filed. Failure of the said Commission to file the record within the time stipulated shall automatically stay the enforcement of the order or decision of the Board of Directors, in that particular case, and such stay shall continue until such record is filed.

6.7. Appeals taken on questions of law, fact or both, shall be heard upon assignment of error filed in the cause or set out in the briefs of the appellant. Errors not argued by brief may be disregarded, but the Review Board may consider and decide errors which are not assigned or argued.

6.8. The review shall be conducted by the Review Board without a jury and shall be upon the records made before the Commission, except that in cases of alleged irregularities in procedure before the Commission not shown in the record, testimony thereon may be taken before the Review Board. The Review Board may hear oral arguments and require written briefs.

6.9. After hearing all evidence and arguments, the Review Board shall render a decision in one of three forms: (1) sustaining the ruling of the Board of Directors; (2) reversing the ruling of the Board of Directors; or (3) remanding the matter to the Board of Directors for further action. The Board of Review shall reverse, vacate or modify the order or decision of the Board of Directors if the substantial rights of the petitioner or petitioners have been prejudiced because of the administrative findings, inferences, conclusions, decisions or order are (1) in violation of constitutional or statutory provisions; or (2) in excess of the statutory authority or jurisdiction of the Commission; or (3) made upon unlawful procedures; or (4) affected by other error of law; or (5) clearly wrong in view of the reliable probative and substantial evidence on the whole record; or (6) arbitrary or capricious or characterized by abuse of discretion or clearly unwarranted exercise of discretion.

6.10. Four members, present and voting, shall constitute a quorum for the Review Board to transact all business.

6.11. A majority vote of those members of the Review Board in attendance at any hearing shall be required to render a decision. Such decision shall be final and binding on all parties concerned.

6.12. Within thirty (30) days from the date of any hearing, the Review Board shall make a written report of its decision, stating briefly therein its reasons for such a decision. Copies of the report shall be mailed to the State Superintendent of Schools, the Executive Director of the WVSSAC and, upon written request, to other interested parties.

6.13. Nothing in this Article shall be construed to limit the Board of Directors in performing its regular duties as provided in the Constitution and Bylaws of the WVSSAC; in making investigations and initiating proceedings against any member of said Commission; in making interpretations of the rules of eligibility of student athletes, cheerleaders or band members; or in imposing penalties for the violations of any rules, regulations, or Bylaws of said Commission.

6.14. The Constitution §§127-1-8.5 and Rules 127-6-2, 127-6-3.2 and 127-6-4.4 which infer or state that decisions of the Board of Directors are final, are hereby modified only to the extent that such final ruling of the Board of Directors may be appealed within the time limit in the manner prescribed elsewhere in this Article and affirmed, reversed or remanded by the Board of Review.
