

West Virginia State High School Golf Championship

[Driving Range Procedures](#)

Sponsored By The West Virginia

Golf Course Superintendents

Attention players and coaches. Tuesday & Wednesday we will have a pro start beginning at 8:30 AM. Therefore, in our attempts to have equality among all players, we will be distributing one large bucket of balls per team and one small bucket per medalist. The coach or designated player may pick them up at the range beginning at 7:00 AM each day.
