WHO IS THE WVSSAC

- We're an independent, non-profit organization.
- We operate under a Board of Control, made up of 265 secondary schools in WV. Our members propose, vote on, and pass rules. Each school has a vote.
- Our members are principals representing every middle and high school.
- The State Board of Education approves rules after our member schools vote on them. The WVSSAC administrative staff then executes and enforces those rules.
- More than 50,000 students participate in interscholastic athletics at all levels under WVSSAC jurisdiction.

WE ARE

COMMUNITY

Why are high school sports and performing arts so special?

Because they connect people from all walks of life ... who may not agree ... who may not think they have much in common.

But when they come together as ONE, they realize they're much more alike than they are different.

And it's their shared love for high school sports and performing arts that united them more than anything else.

A Legacy of Dedication: Honoring Neil Messenger

The local athletic community and the entire West Virginia volleyball landscape mourn the passing of Neil Messenger, a dedicated coach, mentor, official, and administrator whose service spanned decades and touched countless lives across the state.

Neil's commitment to shaping young athletes could best be captured by his 21 remarkable years coaching alongside his wife Esther at Washington-Irving Middle School. Known for their patience, fairness, and unwavering enthusiasm, Neil did more than just teach the fundamentals of the game, he instilled core values like teamwork, discipline, and respect. For a generation of students, the gymnasium floor at Washington-Irving was where Neil and Esther laid the groundwork for future success, turning raw potential into skilled players and confident young adults.

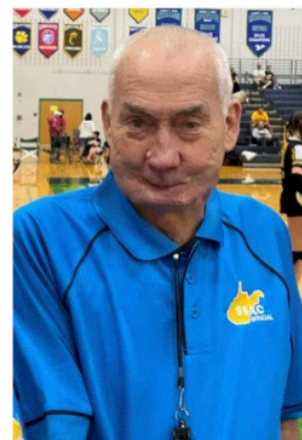

In an additional commitment, Neil also served as an Assistant Coach at Robert C. Byrd High School. This role allowed him to mentor many of his former middle school players, guiding them through the demanding transition to high school athletics. His familiar presence and steady leadership provided continuity and motivation, ensuring that the legacy of sportsmanship he helped build at the middle school continued at the varsity level.

Neil and Esther's dedication extended far beyond the local school gym, reaching the highest levels of state competition. For 21 years, he and Esther were the tireless organizers and driving force behind the renowned Hilltopper Classic Middle School Tournament. This premier event, which they personally organized and ran, provided hundreds of young teams with a professional, high-quality competitive environment, becoming a staple of the regional volleyball calendar. This past year we were honored to rename the Hilltopper to now be known as the *Neil and Esther Messenger Classic*.

Furthermore, they contributed 8 years of distinguished leadership as the Directors of the WV State Volleyball Tournament. In this critical administrative role, their meticulous planning, comprehensive knowledge, and steady guidance ensured the smooth execution of the state championships, leaving an indelible mark on how the event was run.

In addition to his coaching and organizational roles, Neil was an equally respected presence as a volleyball official for 15 years. Taking to the court with integrity and professionalism, he ensured fair play and upheld the spirit of competition across numerous local and regional matches. His time as an official demonstrated his lifelong commitment to serving the game, acting not just as a mentor, but as a steadfast advocate for its rules and traditions.

Neil Messenger's legacy—spanning 21 years of coaching, 15 years as an official, and nearly two decades of administrative leadership for key tournaments—created an incredible tapestry of service. He leaves behind a legacy defined by tireless dedication, profound impact, and the sheer joy he found in building and serving the athletic community. He will be deeply missed by his family, colleagues, and the thousands of athletes whose lives he enriched.

SPORTSMANSHIP BUILDS CHARACTER

1. Offer praise & encouragement, even if your child makes a mistake.
2. Offer constructive criticism & help your child practice skills.
3. Remember that your child is playing the sport, not you.
4. Try not to impose your goals or standards on your youngster.
5. Applaud good plays by both teams.
6. Give a compliment when your youngster shows good sportsmanship.
7. Emphasize "having fun is number one."
8. Don't yell at coaches, referees or players. This sets a poor example.
9. Never try to take the place of the coach or referee.
10. Avoid blaming the refs, the weather or anyone else if your child's team loses.
